Notes:

- 1 The restrictions of PZs and SAs should be respected in ANY flight.
- 2 The map used for detailed SZ images is the "Canowindra District" competition map which is available from Canowindra Challenge Inc. Members are advised that this map uses AGD66 map grid datum, which varies approximately 200m for GDA86 and WSG84. All grid references given in this list are to AGD66. If you are unable to view the SZ Location map with sufficient magnification save it to your computer and view it with Microsoft Picture Viewer or another image editing software it should be clear to read at 100-200%
- 3 The information provided above is provided on an As-Is basis. The ABF accepts no responsibility for the completeness or accuracy of the information which has been provided to it by other parties. The ABF has not carried out any independent verification of this information.
- 4 As SAs change from time to time members are advised to check with local pilots flying the area regularly for any recent changes prior to flying.
- 5 Members are reminded that major events involving livestock are held at the Canowindra Showground, other showgrounds and venues in the district and special care should be taken to make yourselves aware of and avoid these venues at those times.
